

## CHAT BOARD / CLASSIC

CHAT BOARD Classic is a magnetic glass- and writing board for use in modern offices and private homes. CHATBOARD Classic is Danish Design - made in Denmark.

CHAT BOARD Classic is a glass board with smooth C-shape edges and radiused corners (4 mm) laminated to a steel plate with bent edge profiles. CHAT BOARD Classic hangs on a metal rail and is adjustable. The metal rail is supplied together with the glass board and easy to install. The total distance from the wall to the glass surface is 14.9 mm.

CHAT BOARD is also available in a version for permanent and flush attachment on the wall. In this version the glass board is laminated to a flat steel plate. The total distance from the wall to the surface of the glass board is 4.8 mm. This version of CHAT BOARD Classic should be bonded to the wall by a craftsman or glazer and the wall must be as parallel-plane as possible and free from dust, dirt and any objects protruding over the surface. Further it is a requirement that the surface is coated with a primer intended to prepare the wall for installation of a mirror. Please contact the sales office for further details.

The glass used for CHAT BOARD Classic in standard colours is a 4 mm thick tempered glass. The glass for CHAT BOARD Classic in the colours Starlight Black, Metal Taupe, Silver and Mirror is a 4 mm thick glass laminated with a protection film on the back side. CHAT BOARD Classic comes with 3 strong CHAT BOARD Magnets (200 x 300 mm only with 1 magnet) and 1 black dry-erase pen. By dark coloured boards the pen is white and the ink takes about 20 sec. to dry up.
